

Q24: Data Usage – Documentation

Our organization confirms that we do NOT sell consumer data retrieved from the Plaid API. Consumer data accessed via the Plaid API is strictly used to provide services in alignment with our privacy policy, industry standards, and applicable data protection laws. Data is never sold, monetized, or shared with unauthorized third parties.

We maintain strict internal policies and controls to ensure consumer data confidentiality and integrity. All employees and contractors are required to adhere to these policies, and access to consumer data is restricted to only those with a legitimate business need. Any handling of consumer data is logged, monitored, and subject to regular review.
